Aetna HealthFund (GR-9N-S-06-01)

Plan Features

Annual HealthFund Amount
 \$0 Individual
 \$0 Employee and Spouse
 \$0 Employee and Child(ren)
 \$0 Family

If your coverage terminates and you re-enroll in the Aetna HealthFund in the same Calendar Year, the dollars left in your Aetna HealthFund balance will be reinstated.

Schedule of Benefits

The HealthFund benefit will pay 100% of eligible HealthFund expenses (**network** and **out-of-network**). It will also reduce your individual or family **deductible**. Once your maximum HealthFund benefit is paid, you will be responsible for covered expenses until any remaining **deductible** is met. Once your **deductible** has been met, your health expense coverage will begin to pay for **covered expenses**.

When you or your eligible dependents become covered under this plan, you have access to a unique network of providers, the **Limited Network**. You must use **hospitals**, PCP's, and **specialists** in the **Limited Network** exclusively for your care. If care is provided by providers that are not in the **Limited Network**, that care is not covered.

Read your Schedule of Benefits carefully to understand the cost sharing charges applicable to you.

Expense Provisions

The following provisions apply to your health expense plan.

This section describes cost sharing features, benefit maximums and other important provisions that apply to your Plan. The specific cost sharing features and the applicable dollar amounts or benefit percentages are contained in the attached health expense sections of this *Schedule of Benefits*.

This *Schedule of Benefits* replaces any *Schedule of Benefits* previously in effect under your plan of health benefits.

KEEP THIS SCHEDULE OF BENEFITS WITH YOUR BOOKLET.

Deductible Provisions

All **covered expenses** accumulate toward the **network provider deductible** except for those **covered expenses** identified later in this *Schedule of Benefits*.

You and each of your covered dependents have separate Calendar Year **deductibles**. Each of you must meet your **deductible** separately and they cannot be combined. This Plan has individual and family Calendar Year **deductibles**.

Network Provider Calendar Year Deductible

Individual

This is the amount of **covered expenses** that you and each of your covered dependents incur each Calendar Year from a **network provider** for which no benefits will be paid. This individual Calendar Year **deductible** applies separately to you and each of your covered dependents. After **covered expenses** reach this individual Calendar Year **deductible**; this Plan will begin to pay benefits for **covered expenses** that you incur from a **network provider** for the rest of the Calendar Year.

Family Deductible Limit

When you and each of your covered dependents incur **covered expenses** that apply towards the individual Calendar Year **deductibles**, these expenses will also count toward a family **deductible** limit.

To satisfy this family **deductible** limit for the rest of the Calendar Year, the following must happen:

The combined **covered expenses** that you and each of your covered dependents incur towards the individual Calendar Year **deductibles** must reach this family **deductible** limit in a Calendar Year.

When this occurs in a Calendar Year, the individual Calendar Year **deductibles** for you and your covered dependents will be considered to be met for the rest of the Calendar Year.

Copayments and Benefit Deductible Provisions

Copayment, Copay

This is a specified dollar amount or percentage of the **negotiated charge** required to be paid by you at the time you receive a covered service from a **network provider**. It represents a portion of the applicable expense.

Per Admission Copayment

A Per Admission **Copayment** is an amount you are required to pay when you or a covered dependent have a **stay** in an inpatient facility. A **copayment** is a specified dollar amount or percentage of the **negotiated charge** required to be paid by you at the time you receive a covered service from a **network provider**. It represents a portion of the applicable expense.

Separate **copayments** may apply per facility. These **copayments** are in addition to any other **copayments** applicable under this plan. They may apply to each **stay** or they may apply on a per day basis up to a per admission maximum amount.

Covered expenses applied to the per admission **copayment** cannot be applied to any other **copayment** required in your plan. Likewise, **covered expenses** applied to your plan's other **copayments** cannot be applied to meet the per admission **copayment**.

For the stay of a well newborn baby (starting at birth), the per admission **copayment** amount will not exceed the hospital's actual **room and board charge** on the first day of the stay.

Payment Provisions

Payment Percentage

This is the percentage of your **covered expenses** that the plan pays and the percentage of **covered expenses** that you pay. The percentage that the plan pays is referred to as the “Plan Payment Percentage”. Once applicable **deductibles** have been met, your plan will pay a percentage of the **covered expenses**, and you will be responsible for the rest of the costs. The payment percentage may vary by the type of expense. Refer to your *Schedule of Benefits* for payment percentage amounts for each covered benefit.

Maximum Out-of-Pocket Limit

The **Maximum Out-of-Pocket Limit** is the maximum amount you are responsible to pay for **covered expenses** during the Calendar Year. This Plan has an individual **Maximum Out-of-Pocket Limit**. As to the individual **Maximum Out-of-Pocket Limit**, each of you must meet your **Maximum Out-of-Pocket Limit** separately and they cannot be combined and applied towards one limit.

Certain **covered expenses** do not apply toward the **Maximum Out-of-Pocket Limit**. See list below.

Network Provider Maximum Out-of-Pocket Limit

Individual

Once the amount of eligible **network provider** expenses you or your covered dependents have paid during the Calendar Year meets the individual **Maximum Out-of-Pocket Limit**, this Plan will pay 100% of such **covered expenses** that apply toward the limit for the remainder of the Calendar Year for that person.

Family Maximum Out-of-Pocket Limit

When you and each of your covered dependents incur **covered expenses** that apply towards the individual Calendar Year **network provider Maximum Out-of-Pocket Limit**, these expenses will also count toward a family **network provider Maximum Out-of-Pocket Limit**.

To satisfy this family **network provider Maximum Out-of-Pocket Limit** for the rest of the Calendar Year, the following must happen:

The family **Maximum Out-of-Pocket Limit** is a cumulative **Maximum Out-of-Pocket Limit** for all family members. The family **network provider Maximum Out-of-Pocket Limit** can be met by a combination of family members with no single individual within the family contributing more than the individual **network provider Maximum Out-of-Pocket Limit** amount in a Calendar Year.

Expenses That Do Not Apply to Your Out-of-Pocket Limit

Certain covered expenses do not apply toward your plan **out-of-pocket** limit. These include:

- Expenses incurred for outpatient **prescription drugs**;
- Non-covered expenses;
- Expenses for non-emergency use of the emergency room; and
- Expenses incurred for obesity treatment surgery.
