A GUIDE TO YOUR CIGNA DENTAL PPO
Understand how your plan works

When you choose a network dentist, your coverage includes a wide range of eligible services after you satisfy any waiting period and meet your deductible. Your plan includes coverage for preventive dental care services, including cleanings, x-rays and more, at no additional cost or at a reduced cost to you.*

*Most plans limit cleanings and bitewing x-rays to two per calendar year, and full mouth/panorex x-rays to one every three calendar years. See your plan documents for a list of covered and non-covered services under your specific plan.

Additional considerations:

› Many diagnostic and preventive care procedures are covered at no additional cost or a reduced cost to you.
› For other services, you will usually pay a percentage of the cost – or coinsurance amount – to the dentist at the time of service.
› You don’t need an ID card to receive dental care.
› You don’t need to select a primary care dentist.
› You don’t need a referral to receive care from a specialist.

Your access – Thousands of dentists, one directory

The Total Cigna Dental PPO (DPPO) network provides access to the largest network of dentists contracted to discounted fee arrangements.² We expect to have a total of 145,000³ unique dentists available at 362,500⁴ office locations. This means more convenience and greater savings for you.

Within Total Cigna DPPO, we offer two levels:

All participating dentists are consolidated into one directory, which you can easily search online at Cigna.com and myCigna.com.

Research shows that receiving regular dental care catches minor problems before they become major and expensive to treat.¹ Also, routine dental exams can help catch serious health problems, such as diabetes, leukemia, heart disease and kidney disease.¹ In fact, more than 90% of all diseases produce oral signs and symptoms.¹ So a healthier mouth may help you have a healthier life.

The Total Cigna Dental PPO (DPPO) network makes it easy to protect your health – and your smile – with the right dental care at the right price. You can choose a dentist from one large network directory that is easily accessible and searchable online. In addition, we offer online tools that allow you to make more informed decisions about your dentist and your dental care.

Routine dental care does more than just brighten your smile.

**Select a dentist or specialist from the network Total Cigna DPPO list**

- Pay less for covered services because network dentists have agreed to offer services at lower negotiated rates, approximately 36% off average area charges with DPPO Advantage and 16% with DPPO.
- You may save on out-of-pocket costs for many services not covered under your plan. Network dentists have agreed to offer our customers discounted fees for all procedures on their fee schedules. (Not available in all states.)
- Network dentists will submit claims for you.
- All network dentists have met Cigna credentialing requirements based on national standards, and we repeat the process every three years.

**Select any dentist or specialist**

- Your out-of-pocket expenses will generally be higher because out-of-network dentists have not agreed to offer Cigna plan customers negotiated rates.
- Depending on your plan design, out-of-network dentists may bill you for the difference between the payment they receive from Cigna and their usual fees.
- You may have to file your own claims.

**Please refer to your Summary of Benefits for specific plan details and any age and frequency limitations, and a complete list of exclusions and limitations.**

**Knowledge is power**

As you choose your dental provider, cost is an important factor to consider, as is experience and location. The myCigna directory helps you find a dentist and learn about what you might need to pay out-of-pocket for more than 400 common dental procedures and treatments. That means you’ll know the costs that your plan doesn’t cover and you will have to pay before you receive care. Use it to:

- Find a dentist and view cost estimates for common dental procedures with just one search
- Get cost estimates for dental treatments and procedures prior to treatment, based on your plan information and a dentist’s contracted fees and market level fees
- Search by key words, procedure codes, treatments, dental categories and much more
- View detailed plan information
- Compare what it will cost when you visit a network vs. an out-of-network dentist (if your plan has out-of-network coverage)
- See the money you’ll save for being a Cigna customer

**Enroll today**

Make sure that you don’t miss your opportunity to enroll for this important benefit. All you need to do is:

1. Review your plan materials and consider your family’s needs.
2. Complete and sign the enrollment form and return it to your employer.

*If your employer has a different process, follow those instructions.*

**After you enroll**
